

**AUTHORIZATION TO RELEASE INFORMATION TO A THIRD PARTY**

*For the Pension Plans only. This does not affect information from the Directors Guild or the Health Plan.*

It is the policy of the DGA-Producer Pension Plans to release personal information only to individuals who have been authorized by the Participant to receive such information. (Exceptions are made with respect to outside consultants and service providers to the Pension Plans.)

If there are any individuals or entities that you wish to authorize to receive information, you must submit their names to the Plan Office; *e.g. your spouse, other family members, business managers, accountants, and attorneys.*

Such an authorization does not mean that we will automatically send information to these persons; it simply means that we will release information to them if they request. Such information includes, but is not limited to: contribution and earnings records, pension eligibility, beneficiary status, and benefit amounts. **This authorization will remain in effect until you notify us otherwise in writing.** Please mail this form to the address below or fax to (323) 653-3560.

Note: This form does not apply to the release of an individual’s Protected Health Information (PHI) by the Health Plan, which requires a specific Authorization for Release of Health Information Form. For more information, please contact the Participant Services Department at (323) 866-2200, Extension 401 or toll-free at (877) 866-2200, Extension 401.
